 - Frequency of meetings as set out in the constitution.
- 1.3 In addition, the schedule has been devised to address some requested changes including:
- An additional meeting of Audit Committee to accommodate both statutory timescales for Audit reports and the performance reporting timescales;
 - Reduced timescales between Quarterly performance meetings and consideration by the Cabinet in order for consideration of timely and relevant information;
 - Changes to the establishment of Licensing Committees as considered by the Standards Committee;
 - Leadership meetings to take place 1 week prior to Cabinet; and
 - An additional meeting of the Standards Committee to accommodate the Committee's responsibility to review the Council's Constitution
- 1.4 Members are asked to note the following points:
- There will again be briefings held prior to the first meetings of Licensing, Planning and Audit Committees. This will be an opportunity for Members to refresh themselves about the functions of the committee and their role within it.
 - Training for all Chairs and Vice Chairs will be arranged shortly after the Annual Council Meeting.

- All Members and Officers will be electronically invited to the meetings listed in the calendar.
