Source:

Department for Education, FE data library, Apprenticeships Geography data tool, Starts 2011/12 to 2016/17 to date

Notes:

15/16 covers August 2015 to

July 2016

16/17 covers August 2016 to July

2017 (Provisional)

% = the percentage change from

15/16 to 16/17

Numbers are rounded to the nearest 10 and '-' indicates suppression due to low numbers of learners. The rounding of numbers explains why totals may deviate from the sum of individual districts.
