11<sup>th</sup> December 2015

Dear Matthew

I am writing to submit the following motion to Council under Procedure Rule 10 for the meeting on 4<sup>th</sup> January 2016:

*That this council:*

*a) Notes that, according to the House of Commons Library, incidences of flytipping have increased by 20% between 2013 and 2014 in England, whilst local authority prosecutions against offenders fell by 9% over the same period*

*b) Believes that strong, effective and well publicised enforcement action against waste offenders is essential in order to deter future incidences of flytipping*

*c) Acknowledges the concerns of residents and believes that the authority's record of enforcement action has been disappointing*

*d) Resolves to undertake a major review of its environmental enforcement procedures, taking account of residents' experiences, with a view to adopting a more proactive stance against offenders*

I would be grateful if you would acknowledge safe receipt and advise if there are any problems with the above wording.

Yours sincerely,

Councillor Alex Dale
