- (a) Motion proposed by Councillor Pam Windley and seconded by Councillor Ross Shipman

“North East Derbyshire District Council believes the law is failing as it does not prevent or sufficiently reduce the risk of fireworks causing distress, injury or anxiety to people, as well as death, injury or distress to animals.

The Council believes that further research is needed to properly understand the impact of noise on animals and vulnerable people, and a number of things can be done to improve the situation for animals and people by:-

- *Introducing a limit on the public use of fireworks on or close to specific dates and times;*
- *Tightening restrictions on the sale of fireworks in the run up to Bonfire Night;*
- *Reducing the maximum noise level of fireworks sold to the public, ensuring they are labelled accurately;*
- *Licensing all public firework displays – and ensuring displays are better advertised to the public.*

This Council resolves:-

- *To require all public firework displays within the local authority boundaries to be advertised in advance of the event, allowing residents to take precautions for their animals and vulnerable people;*
- *To actively promote a public awareness campaign about the impact of fireworks on animal welfare and vulnerable people – including the precautions that can be taken to mitigate risks;*
- *To encourage local suppliers of fireworks to stock “quieter” fireworks for public display”.*
