Derbyshire**
District Council

Contact: Damon Stanton
Tel: 01246 217011
Date: Wednesday, 24 February 2021

To: **Members of the Communities Scrutiny Committee**

Please attend a meeting of the Communities Scrutiny Committee to be held on **Friday, 5 March 2021 at 1.30 pm**. This meeting will be held through virtual meeting software. Access credentials to the meeting will be sent to you under separate cover.

The public parts of the meeting will be streamed from the Council's website on its 'You Tube' channel.

Virtual Attendance and Hybrid Meetings

I have provided the Leader and Deputy Leader with advice on the holding of "hybrid" meetings outlining the risks including to employees dealing with the Chamber and to Members. Hybrid meetings are those where some attendance is in person in the Council Chamber and some is virtual. I would encourage you all to attend virtually. Accordingly if you attend in person you will be deemed to have accepted the following disclaimer as applying.

Risk Assessment Disclaimer

When attending this meeting in person, I confirm that I have read and understood the contents of each of the following risk assessments and agree to act in line with its content.

- ☐ RA – Return to Work Mill Lane Covid 19 V13
- ☐ Mill Lane Coronavirus Control Measures V8

Both documents have been emailed to Members and are available on the Modern.Gov App library.

The same advice is given to officers who are also encouraged to participate in the meeting remotely.

Yours sincerely

Joint Head of Corporate Governance and Monitoring Officer

Members of the Committee

<u>Conservative Group</u>	<u>Labour Group</u>	<u>Liberal Democrat Group</u>
Councillor Kevin Tait Councillor Oscar Gomez Reaney Councillor Lilian Deighton Councillor Roger Hall Councillor Richard Welton	Councillor Joseph Birkin Councillor Nigel Barker Councillor Jeff Lilley	Councillor David Hancock

A G E N D A

1 Apologies for Absence

2 Declarations of Interest

Members are requested to declare the existence and nature of any disclosable pecuniary interests and/or other interests, not already on their register of interests, in any item on the agenda and withdraw from the meeting at the appropriate time.

3 Minutes of Last Meeting (Pages 5 - 7)

To approve as a correct record and the Chair to sign the Minutes of the Communities Scrutiny Committee held on 14 January 2021.

4 Healthy Partnership Working (Pages 8 - 16)

To consider progress from the Council's Partnership Officer on the Healthy North East Derbyshire Approach.

5 Scrutiny Review - Parks & Green Spaces (Pages 17 - 23)

To consider further information on Parks and Green Spaces from the Joint Streetscene & Waste Services Manager.

6 Forward Plan of Executive Decisions

To consider the Forward Plan of Executive Decisions. Please note, the most up-to-date Forward Plan of Executive Decisions can be accessed via the following link:-

<https://democracy.ne-derbyshire.gov.uk/mgListPlans.aspx?RPId=1137&RD=0&bcr=1>

7 Scrutiny Work Programme (Pages 24 - 28)

To consider the Work Programme for the Communities Scrutiny Committee 2020/2021.

8 Additional Urgent Items (if any)

To consider any other matter which the Chair of the meeting is of the opinion should be considered as a matter of urgency.

9 Date of Next Meeting

The next meeting of the Communities Scrutiny Committee will be held on Friday, 14 May 2021 at 1.30 pm.

10 Exclusion of the Public

The Chair to move:-

That the public be excluded from the meeting during the discussion of the following items of business to avoid the disclosure to them of exempt information as defined in Paragraph 1, Part 1 of Schedule 12A to the Local Government Act 1972, (as amended by the Local Government (Access to Information) (Variation) Order 2006. [The category of exempt information is stated after each item].

11 Scrutiny Review (Pages 29 - 57)

Triangulation of Evidence (the following previous evidence reviewed is attached as a reminder):

- Minute Extracts from previous meetings;
 - Briefing Paper from 27 November meeting;
 - Further information from the Health & Wellbeing Development Officer.
- (Paragraph 1)

COMMUNITIES SCRUTINY COMMITTEE

MINUTES OF MEETING HELD ON THURSDAY, 14 JANUARY 2021

Present:

Councillor Kevin Tait (Chair)
Councillor Oscar Gomez Reaney (Vice-Chair)

Councillor Joseph Birkin
Councillor Lilian Deighton
Councillor David Hancock
Councillor Richard Welton

Councillor Nigel Barker
Councillor Roger Hall
Councillor Jeff Lilley

Also Present:

S Brunt	Joint Head Of Service - Streetscene
K Massey	Health & Wellbeing Development Officer
D Mitchell	Joint Streetscene and Waste Services Manager
S Veerman	Overview and Scrutiny Manager
D Stanton	Governance Officer
A Bond	Governance Officer

CSC/46 Apologies for Absence **/20-21**

There were no apologies for absence received.

CSC/47 Declarations of Interest **/20-21**

Members are requested to declare the existence and nature of any disclosable pecuniary interests and/or other interests, not already on their register of interests, in any item on the agenda and withdraw from the meeting at the appropriate time.

There were no interests declared at this meeting.

CSC/48 Minutes of Last Meeting **/20-21**

RESOLVED – That the Minutes of the meeting of the Communities Scrutiny Committee held on 27 November 2020 be approved as a correct record and signed by the Chair.

CSC/49 Scrutiny Review **/20-21**

The Committee welcomed the Healthy Lifestyles Officer to the meeting to discuss healthy lifestyles in North East Derbyshire.

Members heard that funding for the Healthy Lifestyles Team was split across the Council and a number of external partners, including Active Derbyshire and the Healthy Lifestyles Partnership.

The Committee was informed of the Team's overall objective to improve health and wellbeing, and reduce inequalities and inactivity levels. The Team had utilised a number of projects within the Clay Cross area in order to achieve those goals, such as the Physical Activity Lifestyles Support Service (PALS), Walking for Health Project, and the hugely successful Beat the Street scheme. The Committee had a wide ranging discussion on the Schemes in Clay Cross, and the potential of it being rolled out to other areas in North East Derbyshire.

The Healthy Lifestyles Officer informed members that various methods were used to measure the success of the schemes such as using targets and collecting case studies. It was stated that the ongoing Coronavirus Pandemic was having adverse effects on current targets, and had delayed the Sharley Park Obesity Action Plan.

Members discussed the capacity for dealing with mental health issues and heard that a number of partners through the PALS scheme were able to provide sufficient mental health support. It was hoped that in the near future the service would be able to provide their own mental health support service.

Members discussed obesity records held by Derbyshire County Council, and requested that they be shared with the Committee.

Members thanked the officer for attending the meeting.

RESOLVED – That the update be noted.

CSC/50
/20-21 **Pest Service Review**

Members considered the responses to questions raised by the Committee on the Pest Service Review.

RESOLVED – That the update be noted.

CSC/51
/20-21 **Scrutiny Review - Parks and Green Spaces**

The Head of Service for Streetscene, and the Joint Street & Waste Services Manager were present at the meeting to discuss the District's Parks and Green Spaces.

Members were provided with information which outlined the District's play areas and sports pitches. The information included frequencies of inspection, costings, and a National Playing Field Association (NPFA) Play Value Score for each play area.

Members discussed the maintenance of equipment and potential for a Capital Replacement Programme. The Committee heard that certain equipment, such as swings, could last for at least 30/40 years but older equipment became less appealing to children when compared with new and modern play sites. The Officers informed the Committee that site replacement and refurbishment was predominantly influenced by Section 106 monies and that having a structured capital funding resource would enable them to have a planned and structured approach towards refurbishing play equipment.

The Committee raised concerns over the locations of smaller play sites as once the children of local families had moved away, the sites could go unused and attract anti-social behaviour and that these often resulted in a network of underutilised sites and consideration should be given to reviewing them with a view to investing in key sites, in particular, sites which had other facilities to provide a more diverse range of leisure and play experience.

The consensus was that the most appealing sites should be in the areas with the highest levels of obesity, and if those sites were updated regularly and kept in good condition, residents would be more inclined to use them.

Members thanked the officers for attending the meeting.

RESOLVED – That the update be noted.

CSC/52 /20-21 Forward Plan of Executive Decisions

AGREED – That the Forward Plan of Executive Decisions be noted.

CSC/53 /20-21 Scrutiny Work Programme

AGREED – That the Work Programme be noted

CSC/54 /20-21 Additional Urgent Items (if any)

There were no additional items to be discussed at this meeting.

CSC/55 /20-21 Date of Next Meeting

The next meeting of the Communities Scrutiny Committee will take place on Friday, 5 March 2021 at 1.30 pm.

North East Derbyshire District Council

Communities Scrutiny Committee

5 March 2021

Healthy North East Derbyshire Partnership – Review of 2020/21

Report of the NEDDC Partnership Strategy Team

This report is public

Purpose of the Report

- To inform the Communities Scrutiny Committee of the progress of the Healthy North East Derbyshire Partnership in the last year.

1 Report Details

- 1.1 The Healthy North East Derbyshire (HNED) Partnership was established in 2015 and is chaired by the Public Health Localities Lead for North East Derbyshire and Bolsover at Derbyshire County Council. The NEDDC Partnership Strategy Team is responsible for managing the funding and commissioning of projects following the wishes of the HNED Partnership. The Partnership comprises representation from County and District Council services, Rykneld Homes Ltd, Clinical Commissioning Groups, Primary Care Network and the voluntary sector.
- 1.2 The HNED Partnership has been delivering the Public Health Locality Plan since 2015, for which Derbyshire County Council awards an annual allocation, via NEDDC, to commission projects on its behalf to address health priorities. Since 2018/19 the annual funding awarded has been £69,501 with ring-fenced funding received for specific activities including small grants to the voluntary sector totalling £12,500, which is administered by Derbyshire Voluntary Action. Periodically HNED Partnership will receive additional ring-fenced funding for specific projects Public Health wish to fund such as £53,750 for the Social Connectedness project.
- 1.3 Minutes of the Partnership meetings and latest Locality Plan can be found on the Council's [website](#).
- 1.4 This report provides a summary of the latest progress of the HNED Partnership to improve local health and wellbeing.

1.5 Health Priorities

- 1.6 The Partnership established the following priorities in the Plan, working together to identify local needs and common issues, and allocated resources proportionate to the extent of the issues:

Overarching priority:

Older People, long-term conditions and independence in the home.

Building Healthy Communities:

- Building Social Capital
- Improving the quality of life for carers
- Reducing the impact of wider determinants (e.g. worklessness, homelessness)

Promoting Healthy Lifestyles:

- Promoting positive mental wellbeing & reducing social isolation
- Supporting emotional health & wellbeing of children and young people
- Increasing physical activity

Supporting Access to Effective Health and Social Care:

- Assisting people with limiting long term conditions
- Supporting the Integrated Care Agenda to reduce hospital admissions
- Reducing hospital stays for self/alcohol related harm

1.7 Health Actions

- 1.8 COVID-19 has impacted on nearly all activity delivered during 2020/21. Further information as to how projects have adapted are included within the table in section 1.9.
- 1.9 The following projects have been commissioned and progress achieved during 2020/21 is reported as follows:

PRIORITY	PROJECT	UPDATE
Starting Well	Young People Personal Development <i>Support for young people at risk of self-harm. Broadened to include students affected by the impact of COVID-19.</i> £12,000	<ul style="list-style-type: none"> • 116 students supported during 2019/20 academic year. • 20 students supported between September and December 2020. • The traditional format of 1 to 1 and drop-in sessions replaced by telephone and video calls. • Increase in students requiring more than 6 sessions of support, anxiety and fear for family affected by COVID-19.
	Raising Aspirations <i>Programme of working with year 10 students to reduce number of young people not in education or employment once they leave school.</i> Directly funded by DCC Public Health	<ul style="list-style-type: none"> • Co-ordinated by Bolsover Partnership behalf of the County. • 210 students supported during the 2019/20 academic year (Tupton and Eckington Schools). • Delay to start of project for 2020/21 academic year due to COVID-19.
Healthier Living	Financial Inclusion <i>Joint Chesterfield, NED and Bolsover Group created to increasing financial inclusion for residents</i> £8,500	<ul style="list-style-type: none"> • Group has focused on improved communication between Partners to help residents experiencing financial difficulties. • Combined pot of funding available to support identified activities for the forthcoming year.

	Small Grants Scheme <i>Improve physical & mental health and build community capacity</i> £10,000	<ul style="list-style-type: none"> • 4 projects funded this year, totalling £2,882, includes support to a Brownie group, community art project, activities in care homes and providing riding lessons and horse care to improve mental health. • Delivery impacted by lockdowns but projects to continue where possible. • Low number of applications this year as groups have accessed DCC COVID-19 response fund. • Remaining funding will be rolled over into next year to enable groups to access funding as part of COVID-19 recovery.
	Community Development Worker Providing support to communities to build capacity and improve health and wellbeing. £30,000	<ul style="list-style-type: none"> • 27 registered Community Health Champions (CHCs). Many volunteers unable to help their communities through their usual roles due to COVID-19. CDW continues to support where needed. • CDW part of COVID-19 Support Team during 2020 providing welfare calls, medical deliveries and assisting with business support grants.
	Employment & Training Initiatives <i>Supporting vulnerable people into training and employment.</i> Core NEDDC resource/external funds	<ul style="list-style-type: none"> • Working Communities project helped 58 residents supported with pre-employment activities. • 17 residents supported into employment between April and December 2020.
	Community Café (formerly known as Super Kitchens) <i>Creation of new Community Café.</i> £5,000	<ul style="list-style-type: none"> • DCC Public Health looking at opportunities to establish new community café in a targeted community. Delayed due to COVID-19.
	NEDDC Work Well <i>Workplace health initiatives for NEDDC staff.</i> £1,435	<ul style="list-style-type: none"> • Pre-COVID had seen well attended lunchtime yoga sessions, talks on nutrition, mental health and fitness activities. • Due to COVID-19 all workplace sessions were placed on hold and have yet to resume. Information on health and wellbeing regularly posted on the Extranet for staff.
	5 Ways to Wellbeing: Communications Plan <i>Communications plan aimed at raising awareness of 5 Ways to Wellbeing</i> £5,000	<ul style="list-style-type: none"> • Ongoing project: Previous years had seen an information video produced, Let's Get Talking campaign launched and information packs awarded 16 organisations who applied for a small grants of £100. • Future activity includes sending mental health support information to schools.

	5 Ways to Wellbeing: Small Grants <i>Initiative to improve mental health. Small grants fund targeting voluntary and community groups.</i> £12,500	<ul style="list-style-type: none"> 1 project funded since April 2020. Low uptake due groups accessing DCC COVID-19 support grants. Expectation that groups will apply once lockdown ends. Funding now merged with Small Grants to enable easier access to funding.
	Walking into Communities <i>Reducing social isolation for all ages using physical activities targeting Clay Cross.</i> £22,000	<ul style="list-style-type: none"> Officers working in Clay Cross to encourage physical activity. The project has been severely affected by COVID-19, however, during lockdown on-line activity sessions were held. Socially distant sessions delivered in between lockdown periods. <ul style="list-style-type: none"> 16 people registered with Walking into Communities initiative. 65 people benefiting from increased levels of physical activity. 51 physical activity sessions delivered. 11 new people joined the Walking for Health Programme in Clay Cross. Additional wellbeing information has been circulated throughout the year and one of the Officers was part of the Community Support Team during the first lockdown.
	Feeling Connected <i>Joint project with Chesterfield Health and Wellbeing Partnership to reduce social isolation and improve wellbeing.</i> £53,750	<ul style="list-style-type: none"> Steering group established, work undertaken to analyse data and identify gaps prior to lockdown. Development of action delayed due to COVID-19 but plan now in place. Mix of utilising partner resources, raising the profile of the importance of being socially inclusive and a dedicated fund to support initiatives to enable people to feel connected.
	Keeping Everyone In <i>Building on the work to find accommodation for homeless people supported through the first lockdown.</i> £4,000	<ul style="list-style-type: none"> County wide initiative to continue support for homeless people housed during the first national lockdown. The County wide scheme led by DCC, local authorities and key partner agencies. Expected that 20 people from NED will be supported through this project.
Healthy Ageing	Vulnerable Adults Risk Management (VARM) Discretionary Fund <i>Support people at risk of living independently</i> £10,000	<ul style="list-style-type: none"> This funding is dedicated to paying for services the main VARM fund cannot support. For example house clearance, skip hire and contract cleaning for vulnerable people who are at a high risk of a fire in the home due to hoarding. No individuals identified for support so far but it is expected that people will require VARM intervention once restrictions are relaxed.
	Together Events <i>Reducing social isolation and connecting vulnerable people with services through face to face events in targeted communities.</i> £12,500	<ul style="list-style-type: none"> 3 events held in Killamarsh, Danesmoor and North Wingfield during 2019/20. 170 attendees between all 3 events. The final two events due to be held in Wingerworth and Eckington could not take place due to COVID-19. As result a directory of services and organisations was produced and delivered to targeted residents in both areas.

		<ul style="list-style-type: none"> In total, 2500 booklets were printed and with 1900 delivered in Wingerworth (additional funding secured to print extra booklets) and 600 delivered in Eckington.
--	--	--

1.10 Community Development Worker

- 1.11 HNED has funded a Community Development Worker (CDW) since 2015 with an Officer from the Partnership Strategy Team currently in post. In that time, much has been achieved in Heath & Holmewood and Shirland. The principle of a Healthy Futures Group (HFG) is to bring key partners and members of the community together to help improve health and wellbeing. HFGs have been established in Heath & Holmewood and Shirland with this group covering Higham, Stonebroom and Mickley.
- 1.12 Establishing and expanding the Community Health Champions network has been an integral element of the CDW role. The role of a CHC includes improving the health and wellbeing for themselves and people in their community. The network also connects members of the community with volunteering and training opportunities including:
- Food banks
 - Clubs such as youth, games and parent & toddler
 - Parish, church and community events
 - Befriending services
 - Assisting friends and neighbours, encouraging health and wellbeing
 - Helping to reduce social isolation
 - Establishing and maintaining the Shirland Community Café for over 50's
 - Leading a peer to peer mental health support group in Stonebroom

This list provides a snapshot of the types of volunteering CHC's have undertaken. Since 2015, the total number of volunteering hours in these communities has exceeded 5,072 with at least 15,903¹ beneficiaries during this time. An event to celebrate the achievements of CHCs planned for June 2020 was cancelled due to COVID-19. It is hoped this will be held once the pandemic is over.

- 1.13 COVID-19 has had an impact on the work of CDW. As some of the CHCs were in vulnerable groups, many had to shield for a significant part of 2020 and were still very reluctant to or unable to undertake volunteering prior to the recent national lockdowns. The CDW has kept in touch with CHCs offering support for those who request it, keeping the wider network of partners informed of services and agencies offering help and support during COVID-19. CDW has been an integral part of the NEDDC COVID-19 response from providing welfare calls to residents, deliveries of medicines and more recently processing grants to many business in NED.

1.14 Financial Inclusion Group Chesterfield, North East Derbyshire and Bolsover

- 1.15 In 2019 HNED and Bolsover Health Partnership was invited by Chesterfield Health and Wellbeing Partnership to join their Financial Inclusion Group. The aim was to bring together key organisations and agencies across the three areas to help residents become more financially included. Led by DCC Public Health membership

¹ Instances where a CHC has helped a person, likely to have been on more than one occasion.

is broad and includes service leads from all four local authorities, Department of Work and Pensions and representatives of the voluntary sector including Citizens Advice, Derbyshire Law Centre, Rural Action Derbyshire and Credit Union.

- 1.16 The group has been focused on COVID-19 recovery, working together to share knowledge and experiences to enable residents to access advice and support services. An article was published in the winter edition of The NEWS which listed key contact details for a variety of organisations offering support and advice for financial related matters, mental health and family service and other key support agencies.

1.17 **Clay Cross Obesity Group**

Established and led by DCC Public Health the group focuses on health and wellbeing of residents of all ages in Clay Cross. Attended by members of HNED Partnership, including the CDW, there is specific focus of working with parents and their children to encourage good eating habits. A presentation on the work undertaken by this group was made to Communities Scrutiny in August 2020.

1.18 **North East Derbyshire and Bolsover Place Alliance and Mental Health Sub Group**

- 1.19 During 2020 HNED Partnership continued to link the Bolsover and North East Derbyshire Place Alliance. Attended by senior officers and strategic partners, this group has made it easier to engage with the CCGs and other clinically focused services. Experience prior to COVID-19 had seen recognition in the role that the Councils and voluntary sector play in the preventative agenda, which allowed for a more strategic service development. In 2020 the focus of this group changed to a Community Resilience Forum focusing on current health issues within communities during the COVID-19 pandemic, attempting to provide practical solutions to arising issues affecting constituent partners and the communities they served. This included the support to pharmacy services (via delivery) and resource support to groups who were working in the community in tandem with local providers.

- 1.20 The Mental Health Sub Group has recently been established by the Place Alliance to focus specifically on bringing together agencies and organisations delivering mental health support services. There is recognition that the number of people seeking access to mental health support has and will continue to increase during the pandemic. The CCGs are looking to implement a change of approach across certain parts of Derbyshire to bring together multi-disciplined teams that will enable people access the services they need quickly. It is not currently known when or if North East Derbyshire will have this multi-disciplined group put in place.

1.21 **NEDDC Older People's Strategy**

- 1.22 In 2020 the Council published its Older People's Strategy 2020/23 which was developed to demonstrate the Council's commitment to improving residents' lives and the opportunities available to them. With the over-arching priority of the Partnership focusing on older people, there is opportunity to utilise the partners and resources of HNED to commission and deliver appropriate interventions which support older people and independence in the home.

1.23 The Future

- 1.24 The HNED Locality Plan 2020/22 will be updated to reflect new projects commissioned over the forthcoming year. However, the priorities of the Partnership and its Plan will likely remain the same due to the ongoing challenges within the local community; it is widely recognised that changes to health statistics is often a long-term issue.
- 1.25 The key project for 2021/22 is Digital Connect. The project aims to address digital exclusion with people aged 50+ within North East Derbyshire. The project will offer digital awareness, advice, training and support to people over 50+ who are digitally excluded, equipping older people with the skills and confidence to effectively use IT to enhance their health and wellbeing and access support, information, services and networks.
- 1.26 It is anticipated that additional ring-fenced funding from Public Health will be made available to help build capacity in each locality to support the delivery of mental health support and advice service post COVID-19. Further details due to be released within the next couple of months.

2 Conclusions and Reasons for Recommendation

- 2.1 The Partnership approach has continued to evolve with key issues being tackled collaboratively, with transparency, accountability and effectiveness.

3 Consultation and Equality Impact

- 3.1 The Healthy NED Partnership continues to engage and involve representative groups through its working group process and broad participation of the Partnership, close links with the voluntary sector through Derbyshire Voluntary Action to ensure service user perspective is maintained.

4 Alternative Options and Reasons for Rejection

- 4.1 Alternative options were covered in the Cabinet Report on 18th February 2016.

5 Implications

5.1 Finance and Risk Implications

- 5.1.1 The Partnership Team oversees the management of the Healthy Communities (Locality) Action Plan funding on behalf of the Healthy NED Partnership. They will ensure that all commissioned projects adhere to the expectations established in the DCC Inter Agency Agreement. Funding for the Community Development Worker post that has been provided by DCC through the Public Health Locality Action Plan. Adherence is maintained to NEDDC's Financial Regulations and Joint Risk Management and Partnerships Strategy.

5.2 Legal Implications including Data Protection

- 5.2.1 Adherence is maintained to Service Level Agreements and NEDDC's Legal and Data Protection Policies.

5.3 **Human Resources Implications**

- 5.3.1 Evaluation of workload implications upon the Partnership Team is undertaken in regular individual, team and Service Planning reviews. Engagement with other departments required to assist in delivery (e.g. Leisure Team to deliver projects) is maintained to ensure targets are achieved.

5 **Recommendations**

- 6.1 That the report is noted.

7 **Decision Information**

Is the decision a Key Decision? A Key Decision is an executive decision which has a significant impact on two or more District wards or which results in income or expenditure to the Council above the following thresholds: <i>BDC: Revenue - £75,000</i> <input type="checkbox"/> <i>Capital - £150,000</i> <input type="checkbox"/> <i>NEDDC: Revenue - £100,000</i> <input type="checkbox"/> <i>Capital - £250,000</i> <input type="checkbox"/> <input checked="" type="checkbox"/> <i>Please indicate which threshold applies</i>	No
Is the decision subject to Call-In? (Only Key Decisions are subject to Call-In)	No
Has the relevant Portfolio Holder been informed	NA
District Wards Affected	All
Links to Council Plan priorities or Policy Framework	Our residents – Enhancing our resident's quality of life. Protecting the most vulnerable in our communities.
