- *at the time of the original planning application decision, Derbyshire County Council carried out a desktop assessment and didn't submit any objections or concerns.*

- *Planning enforcement issued a temporary stop notice on the site which ended at the beginning of August after the developer failed to comply with planning conditions.*
- *Subsequent planning applications to discharge conditions on the site has resulted in Derbyshire County Council raising flooding concerns about a part of the original planning application.*
- *The developer has declined to undertake a survey requested by Derbyshire County Council as it is outside the scope of their current application.*
- *after the last debate to revoke at full council, DCC have carried out an assessment of the levels, which agreed with what residents were saying all along, that Woodall Homes were using incorrect information*
- *the duties and responsibilities of North East Derbyshire District Council as the planning authority*

Council resolves:

That planning application 20/00221/FL be referred back to the Planning Committee to determine whether permission be revoked in respect of the flooding concerns raised by Derbyshire County Council.

Motion 'B'

Motion submitted by Councillor N Barker

Council notes:

That residents of NED are facing the worst cost of living crisis in decades. Rising food, utilities and petrol bills together with the governments freeze to income tax allowances, rise in national insurance, cuts to Universal Credit and rises in council tax are placing many families in financial difficulties.

Council resolves to:

- a) *Call upon the Cabinet to undertake a review of all current charges and fees to determine whether any assistance can be given to families struggling financially.*
- b) *Call upon the Cabinet to support local welfare rights and debt management services in NED to increase their capacity to help residents living within the district.*
- c) *Call upon the Leader of the Council to write to Lee Rowley MP and Mark Fletcher MP expressing Council's belief that the government's response to the cost-of-living crisis has been inadequate and to request that they lobby the government to take further measures to prevent people falling into poverty.*
