

Conditions added by Trading Standards

Cocina Familiar, 2 Edinburgh Court, Wingerworth, Derbyshire S42 6SH

Trading Standards are in receipt of your Premises Licence application to North East Derbyshire District Council for a premises licence for the retail sale of alcohol from the above premises.

Conditions attached to any premises licence should be meaningful, proportionate and enforceable. You also need to be able to comply with any conditions placed on the licence otherwise you will be in breach of your licence. I appreciate the consideration that you have given to the licensing objectives and in particular the protection of children from harm. However, I would like to suggest that the following wording should be attached to the premises licence for the protection of children from harm, I also understand that the Police have suggested that the same conditions are added for the protection of children from harm:

1. Full training is provided to all staff employed on commencement of their employment on the law relating to the sale of alcohol and any system or procedures they are expected to follow in the course of dealing with the sale of alcohol. Refresher training should be provided at regular intervals (at least 12 monthly). Records detailing the training provided will be kept on the premises for production, on request, to an authorised officer of a Responsible Authority. Records shall be retained on the premises for a minimum of 2 years
2. A 'Challenge 25' proof of age scheme will be operated at all times. Clear, prominent signage informing customers of the age verification policy in operation will be displayed at the premises. Anyone purchasing alcohol that appears to be under 25 years of age will be asked for proof of their age. The only forms of acceptable identification shall be either a valid photographic driving licence, a valid passport, military identification or any other recognised form of photographic identification incorporating the PASS logo. Failure to produce satisfactory proof of age will result in a refused sale.
3. A system of recording all refused sales will be operated at all times. The Designated Premises Supervisor (or deputy, authorised in writing) will:

examine the record from time to time and compare it against the normal operating pattern for the business

indicate any action required following that examination

sign off/endorse the record to indicate the above points have been carried out

The refusal record will be kept on the premises for production, on request, to an authorised officer of a Responsible Authority. Records shall be retained on the premises for a minimum of 2 years.

Are the above conditions agreeable to you for the protection of children from harm and have you agreed to put them on your premises licence.

If you would like to discuss this email then please do not hesitate to contact me.

I look forward to hearing from you

Kind Regards

Karen
