1. INTRODUCTION

- 1.1 These Contract Procedure Rules provide a corporate framework for the procurement of all goods, services and works for the Council. The Rules are designed to ensure that all procurement activity is conducted with openness, probity and accountability. Above all, the Rules are designed to ensure that the Council complies with the statutory framework, obtains value for money and the required level of quality and performance from all contracts that are let. Every contract for the supply of goods and services and for the execution works made by or on behalf of the Council shall comply with these Rules and the Public Contracts Regulations 2015 (“the Regulations”).
- 1.2 The Council has a joint procurement service with Bolsover District Council (“the Procurement Service”). This includes advice on procurement and tendering procedures and the provision and management of the e-tendering system on the Council’s behalf.
- 1.3 E-procurement procedures shall be used wherever possible. These include e-purchasing, e-tendering, purchase cards and others. Where appropriate e-auctions may be used, so long as provision is made for this in the advert. No e-tendering system should be used without the approval of the Chief Finance Officer. Requests for quotations, Pre-qualification questionnaires and Invitations to tender should wherever practical be issued to tenderers by electronic means. Where e-tendering is utilised then this must be undertaken by way of the corporate e-tendering system which is managed on the Council’s behalf by the Procurement Service.
- 1.4 Before any tendering exercise is considered, reference must be made to the Council’s procurement and equalities guidelines. The Council is committed to dealing fairly with all relevant discrimination groups as defined in the Equalities Act 2010. A failure to take into account special requirements for these groups in a tender would be a significant corporate failure, affecting the reputation and standing of the Council.
- 1.5 All procurement arrangements must ensure compliance with the Council’s responsibility in respect of the Freedom of Information Act, Environmental Information Regulations 2004 and the Data Protection Act and the General Data Protection Regulation.
- 1.6 Any employee who fails to comply with Contract Procedure Rules may be subject to disciplinary action.
- 1.7 A Glossary of Terms can be found at Appendix B.

2. COMPLIANCE WITH CONTRACT PROCEDURE RULES

- 2.1 The provisions contained in these Rules are subject to the statutory requirements of both the European Union and the United Kingdom Government. The letting and content of Contracts shall conform to all statutory requirements, principally the Public Contracts Regulations 2015 (“the Regulations”), and be subject to any over-riding directives of the European Union relating to contracts and procurement. This Rule cannot be waived, since

a failure to comply with legislation may result in a legal challenge with consequent reputational and financial risk. If you are uncertain, advice should be sought from a member of the Procurement Service or the Monitoring Officer.

2.2 In estimating relevant contract values, officers shall have regard to the rules regarding aggregation. See Appendix 'A'.

2.3 Partnerships

2.4 These Rules apply to any proposal for the Council to become involved in a joint venture or partnership, including the monitoring of any such arrangement.

- In relation to the Rules, a joint venture or partnership includes any arrangement involving one or more organisation in addition to the Council through which either a specific project or services within any of the functions of the Council are to be provided, and
- Provides a role for the Council or any of its members or officers in whatever structure is used to deliver the project or services involved (such structures may include, but are not limited to, companies, trusts and management committees).

2.5 Where partnership arrangements, or working with other bodies, are used in order to procure goods or provide services consultation must take place with the Monitoring Officer and Chief Finance Officer prior to entering into such arrangements. Such arrangements should only be pursued on the basis that appropriate approval from the Council's statutory officers and from appropriate Council bodies has been secured prior to any formal commitments being given.

3. NORMAL PROCEDURE

3.1 These Rules relate to five categories of procurement based on the estimated value of the contract:

- (a) £1 to £1,000
- (b) £1001 to £5,000
- (c) £5001 to £25,000
- (d) £25,001 to £75,000
- (e) £75,001 to £EU Threshold as amended each year
- (f) Over the EU Threshold

3.2 In all instances, goods, services or works should be obtained via the methods outlined below:

- (a) in-house services (for example, printing and design etc.)
- (b) established corporate contracts or framework agreements
- (c) request for quotation
- (d) Tender
- (e) framework contracts established by Purchasing Consortia or other Local Authorities (following advice from the Procurement Service)
- (f) for low-value purchases, Purchasing Cards can be used provided they are not used with the intention of undermining the use of approved or

corporate contracts, or to circumvent the procedures set out within this document.

In considering whether to utilise any of the above options officers must take into account the fact that their use is subject to UK and European Law.

In-house services can include services provided by either Council across the Strategic Alliance of Bolsover District Council and North East Derbyshire District Council.

3.3 Orders and payments for goods, services and works shall be undertaken in accordance with Financial Procedure Rules.

3.4 Before entering into a contract, the authorised officer must:

- (a) Be satisfied that a specification (where appropriate) that will form the basis of the contract has been prepared (the specification should be retained on the appropriate contract file held within the service),
- (b) Have prepared and documented an estimate of the cost of the contract including, where appropriate, any maintenance and on-going costs (the estimate should be retained on the appropriate contract file held within the service),
- (c) Ensure that all evaluation criteria have been determined in advance, put into order of relative importance with weightings for each element and published in the tender pack;
- (d) For contracts where there are risks, and for all contracts over £50,000, produce and maintain a documented risk register for the procurement process and for the eventual contractual relationship. As a minimum documentation should be maintained analysing all risks, identifying how they will be managed, and naming the responsible officer(s).

3.5 Before entering into a contract the authorised officer must:

- (a) Be satisfied about the technical capability of such proposed contractor and be satisfied that s/he has the power and authority to enter into the contract;
- and
- (b) Ensure that these Rules and the Code of Practice have been complied with, and that the proposed contract represents value for money; and
- (c) For all contracts that exceed £50,000, the authorised officer shall undertake appropriate checks to ensure that the proposed contractor has the financial and resource capacity (taking account of contract value and risk) to perform the contract (unless the contractor has already been subjected to a recent satisfactory financial check). Financial vetting shall be undertaken by a designated financial officer, who shall advise on what, if any, security should be provided by the contractor.

3.6 Advertising

All tenders shall be advertised and, where appropriate, full details should be available for download from the website sourcederbyshire.co.uk. As part of the Government's Transparency Agenda details of all forthcoming contracts should be published on the Council's website at the earliest opportunity. Such details should be notified via email to the Chief Finance Officer. When the contract is above £25,000 details must also be published on the Government's Contracts Finder website. Details of such contracts must be provided to the Procurement Service who will arrange for appropriate advertising to be undertaken. Again such communication should be via email. Contract award notices shall also be published on the website and on Contracts Finder within 90 days of the contract being advertised.

Officers should consider whether the contract will be of benefit to other public sector bodies. If so consideration should be given to including text along the following lines in the advert:

"Tenderers should be aware that although the contracting authority for the purposes of this procurement is North East Derbyshire District Council one or more other local authorities and/or public bodies may choose to access the concluded contract, without creating any obligation on behalf of any of them to do so."

Such text should only be incorporated with the approval of the Procurement Service.

- 3.7 All EU notices shall be referred, in advance of sending to the OJEU, to the Procurement Service to advise on wording.
- 3.8 Where the contract is over the OJEU threshold the Council must offer unrestricted and full direct free of charge access online to the procurement documents from the date of publication of the notice in OJEU.

4 EXEMPTIONS TO CONTRACT PROCEDURE RULES

- 4.1 Subject to statutory requirements tenders need not be invited in accordance with these Rules in the following cases:
 - (a) In the case of the supply of goods:
 - (i) the goods or materials are proprietary articles and in the opinion of the appropriate Senior Officer no reasonably satisfactory alternative is available.
 - (b) The work to be executed or the goods or services to be supplied are controlled by a statutory body.
 - (c) The work to be executed or the goods or services to be supplied constitutes an extension to an existing contract and it is the view of the Senior Officer that it would not be in the interest of the service or the Council to tender the contract. The Senior Officer or his or her nominee

should consult with the Procurement Service and a record of the decision must be placed on the project file.

- (d) The contract is for the execution of work or the supply of goods or services certified by the appropriate Senior Officer to be required so urgently as to preclude the invitation of tenders. The appropriate Portfolio Holder shall be kept informed of such decisions and a record of the decision shall be retained by the service and a copy sent to the Procurement Service.
- (e) The contract relates to commissioning, such as projects funded by external grant where, for example, there is no (or insufficient) marketplace to tender for the supply of goods, services or works required.

All contracts that fall within the above exemptions shall be notified in writing to the Procurement Service.

- 4.2 Nothing contained in the above exceptions exempts officers either from using the Council's internal services where appropriate, or from following established arrangements in Rule 3.2. Officers should ensure that the best possible balance of value for money and quality is obtained for the Council.
- 4.3 Tenders need not be invited where they have been undertaken by any consortium, collaboration or similar body, of which the Council is able to access contracts. Officers should consult the Procurement Service to ensure that any contracts let by such a consortium, collaboration or similar body are in accordance with UK and EU procurement directives and regulations.
- 4.4 Where the Council acts as lead body on a consortium or collaborative arrangement, the procedures for tendering contained within these Rules shall be followed.

5 CONTRACTING & FINANCIAL GUIDELINES

- 5.1 Officers should order goods and services that are required through an arrangement illustrated in Rule 3.2. If the Council or the consortium providing them do not have the goods or services or resources available to meet the reasonable needs of the service then an alternative supply may be sourced. In these circumstances the authorised officer must record why the goods or services have been procured through other means, and retain a formal copy of that document. In all circumstances a purchase order must be issued as required by financial regulations.
- 5.2 It is good practice (for all but small value and routine purchases) to obtain a written quotation. For further information on this, please contact the Procurement Service.

5.3 Contracts £1 to £1000

Procurement of goods and services estimated to be for amounts up to £1000 shall be by oral or written quotation and preferably from at least three suppliers, unless an arrangement under 3.2 has already been established for the goods, services or works required. There is no mandatory procurement involvement.

5.4 Contracts £1001 to £5000

Procurement of goods and services estimated to be for amounts in the range £1001 to £5000 shall be by written quotation from at least three suppliers, unless an arrangement under 3.2 has already been established for the goods, services or works required. There is no mandatory procurement involvement.

5.5 Contracts £5001 to £25000

Procurement of goods and services estimated to be for amounts in the range £5,001 to £25000 shall be by formal written request for quotation (RFQ) from at least three suppliers, unless an arrangement under 3.2 has already been established for the goods, services or works required. There is no mandatory procurement involvement.

5.6 Contracts £25,001 to £75,000

Procurement of goods and services estimated to be for amounts in the range £25,001 to £50000 shall be by formal written request for quotation (RFQ) from at least three suppliers, unless an arrangement under 3.2 has already been established for the goods, services or works required. Details must also be published on the Government's Contracts Finder website, which must be done through the Procurement Service.

5.7 Contracts £75,001 to EU Threshold as amended each year

Procurement of goods and services estimated to be for amounts in the range £50001 to EU THRESHOLD shall be by formal open Invitation to Tender (ITT), unless an arrangement under 3.2 has already been established for the goods, services or works required, whereupon mini competition will be encouraged with at least three approved suppliers. For evaluation purposes, an invitation to the evaluation meeting may be issued to officers from Finance, Legal and Audit along with the relevant Portfolio Holder or substitute and the appropriate commissioning officer.

5.8 Contracts EU Threshold and above

Procurement of goods and services estimated to be for amounts in the range EU Threshold and above shall be by formal open Invitation to Tender (ITT). Where contracts of this value are undertaken then appropriate professional support must be secured from either the Procurement Service or an appropriately qualified external advisor. Both the Monitoring Officer and the Chief Finance Officer must be made aware of the position.

In considering whether or not a procurement exercise is subject to OJEU requirements you must consult with Legal Services. In particular you should consider whether extensions to a contract or operating it for a period in excess of one year will breach OJEU financial limits. Where any contract has a value above or approaching OJEU limits it is the responsibility of the client officer to ensure that appropriate legal advice is secured throughout the tendering and contractual process.

5.9 SME Participation

To facilitate SME participation in awards of contracts, consideration should be given to dividing contracts into smaller lots where appropriate. Where a decision is taken not to divide a contract into lots then the responsible officer must maintain a written summary of the reasoning underlying that decision.

6 PROBITY

- 6.1 In every instance appropriate written documentation must be retained together with the rationale for the decision making process. This documentation shall meet as a minimum the requirements specified in the 2015 Public Contract Regulations. In addition, any information that may be required for submitting annual reports to the Government or other agencies must be maintained.
- 6.2 Documentation in either paper or electronic format must be appropriately filed and retained for an appropriate period of time. The Council's Document Retention Policy will provide appropriate background guidance but ultimately the senior officer involved must determine the retention period.
- 6.3 All contracts for goods, services and works must be registered on the Contracts Register and the original contract documents held centrally and securely in Legal Services.
- 6.4 Tenderers may be offered a debrief to assist them in preparing future bids. The relevant officer should also keep a record of all debrief requests and responses.
- 6.5 In accordance with EC Procurement Directives, any company responding to an EU tender shall be excluded from the tender process if it, or its directors have been convicted of; corruption, bribery, cheating the revenue, fraud or theft, fraudulent trading, an offence in connection with taxation, an offence under Counter Terrorism legislation or money laundering. Where a service has information relating to the above, contact the Monitoring Officer or the Procurement Service for advice.

7 RECEIPT AND CUSTODY

- 7.1 Tenders are only managed by way of a corporate e-tendering system operated on the Council's behalf by the Procurement Service. This provides a clear electronic audit trail of the tender process.
- 7.2 Responses to pre-qualification questionnaires (PQQs) and quotations (RFQ's) are not deemed to be tenders and should be returned to the originating officer, either via hard copy or electronically.

8 OPENING TENDERS

- 8.1 All e-tenders will be submitted to and held in a secure electronic vault. This may only be opened by the Procurement Service after the due date for tenders has closed.

- 8.2 Chairman. The lead officer of the evaluation team is responsible for ensuring that the team is adequately resourced to ensure compliance with the Regulations and with accepted good practice. A report outlining the results of the evaluation process will then be presented to Cabinet, if over the Key Decision threshold, to approve the award of the contract.

9 EXTENSION OF DEADLINE FOR RECEIPT OF TENDERS

- 9.1 Where a tender is submitted in competition and is received after the specified time then it shall be disqualified. Before the specified time has been reached, the Monitoring Officer may determine whether to extend the deadline.

10 ACCEPTANCE

- 10.1 Contracts shall be evaluated and awarded in accordance with the evaluation criteria issued with the tender documentation. Only those tenders that comply with the evaluation criteria shall be considered for acceptance. Tenders must be accepted on the basis of “most economically advantageous” tender (MEAT) that complies with requirements of tender documents, is not excluded by virtue of Regulation 57 of the Regulations and meets the selection criteria. Cost-effectiveness and the price-quality ratio may be taken into account when determining MEAT.
- 10.2 A tenderer who submits a qualified or conditional tender shall be given the opportunity to withdraw the qualification or condition without amendment to the tender. If the tenderer fails to do so the tender must be rejected.
- 10.3 Prior to final contract award, the contractor must provide evidence of adequate insurance to cover both public and employers’ liability, and produce such evidence during the life of the contract at the reasonable request of the authorised officer.
- 10.4 For all procurements covered by the EU Directives, a statutory minimum standstill time after the award decision is issued is required to allow companies an opportunity to challenge the decision. The standstill time depends on the circumstances and is set out in Regulation 87 of the Regulations.

A voluntary waiting period is operated for procurements below the EU threshold, at the discretion of the Procurement Service.

The notification of the award decision, based on the most economically advantageous tender, must be issued in line with the timescales of the standstill period and should contain;

- the award criteria;
- the reasons for the decision, including the characteristics and relative advantages of the successful tender and the score (if any) obtained by the recipient and the successful tender;
- the name of the winning tenderer;

- the confirmation of the standstill period.
- 10.5 For all sub-OJEU threshold contracts, the following details of contracts that have been awarded should be advertised on the Contracts Finder website:
- name of contractor;
 - date contract entered into;
 - contract value;
 - whether contractor was SME or VCSE.
- 10.6 All contracts must be notified to the Procurement Service, including performance monitoring information, with a copy to the Chief Finance Officer.

11 NOMINATED/NAMED SUB-CONTRACTORS AND SUPPLIERS

- 11.1 It is recommended that contracts are awarded to a single entity or lead contractor, who in turn will take contractual responsibility for the performance (and risks) for all sub-contractors and supply-chains. This reduces the risk of the Council becoming party to disputes between contractors.

12 ENGAGEMENT OF CONSULTANTS

- 12.1 An authorised officer may only appoint external consultants or advisors providing professional or consulting services if such services are not available within the Council or if Council officers providing them do not have the resources to meet the needs of the service. Where such services are available in-house, the authorised officer must consult with a Senior Officer before taking any decision to make an external appointment.
- 12.2 Consideration should be given to using the appropriate frameworks for business, professional, and ICT consultancy services. Advice should be sought from the Procurement Service.
- 12.3 External consultants and technical officers engaged to supervise contracts must follow these Rules as applicable and their contracts for services must state this requirement.
- 12.4 Procurement plans and / or tenders prepared by external consultants on behalf of the Council must be referred to the Monitoring Officer or Chief Finance Officer for approval and advice.
- 12.5 The relevant officer is required to liaise with the Procurement Service in respect of all consultancy and advisor contracts where the value of the contract is above £5,000. In estimating relevant contract values, officers shall have regard to the rules regarding aggregation. See appendix 'A'
- 12.6 All contracts for external consultants and advisors shall explicitly require that the consultants or advisors provide without delay any or all documents and

records maintained by them relating to the services provided on request of the authorised officer, and lodge all such documents and records with the appropriate officer at the end of the contract.

- 12.7 The authorised officer shall ensure that any consultant working for the Council has appropriate indemnity insurance.

13 CONTRACT CONDITIONS

- 13.1 Every contract for goods or services regardless of value shall be in writing and shall specify:

- (1) the work, materials, matters or things to be furnished had or done;
- (2) the price to be paid, with a statement of discounts or other deductions; and
- (3) the time, or times within which the contract is to be performed.

Every contract over £50,000 shall be in a form approved by the Team Manager (Solicitor) or their nominee.

14 EXTENDING EXISTING CONTRACTS

- 14.1 The authorised officer, subject to the budget being available, and after consultation with the appropriate Senior Officer, may extend a contract subject to the extension being within the scope of the original scheme (subject to Rule 4.1.c).
- 14.2 If the original contract was subject to the EU procurement regulations, the contract can only be extended if it meets one of the six statutory grounds as set out in Relation 72 of the Regulations.

15 PERFORMANCE BONDS AND GUARANTEES

- 15.1 In the case of all contracts valued above £50,000 the authorised officer shall determine, based on advice from the Chief Finance Officer, the degree of security (if any) required to protect the Council from a contractor default. This may be a performance bond or some other form of financial or performance guarantee.
- 15.2 Where an order is placed with a Council in-house service and work forming part of that order is sub-contracted to an external company, then the provisions of Rule 15.1 will apply.
- 15.3 Where a performance bond and/or parent company guarantee is required, then the tender documents must provide for this.

16 LIQUIDATED DAMAGES

- 16.1 Any contract which is estimated to exceed £100,000 in value or amount, and is for the execution of works, or for the supply of goods or materials by a particular

date or series of dates, may provide for liquidated damages. The amount to be specified in each such contract shall be determined by a Senior Officer in consultation with Legal Services.

17. CONTRACT FORMALITIES

17.1 Agreements shall be completed as follows:

Total Value	Method of Completion	By
Up to £75,000	Signature	Senior Officer see 17.2
£75,001 and above	Sealed	see 17.3

17.2 Signature

The *Officer* responsible for securing signature of the contract must ensure that the person signing for the other contracting party has authority to bind it.

17.3 Sealing

Where contracts are completed by each side adding their formal seal, the affixing of the Council's seal will be attested by the Solicitor to the Council, or in their absence, anyone delegated the function by the Solicitor to the Council together with the *Chairman of the Council*, or in their absence, another *Councillor*.

An entry of every sealing shall be made and consecutively numbered in a book kept for the purpose. The seal must not be affixed without the authority of the *Cabinet*, a *Committee*, a *Portfolio Holder*, or a *Senior Officer* acting under delegated powers. A contract must be sealed where:

- the Council may wish to enforce the contract more than six years after its end; or
- the price paid or received under the contract is a nominal price and does not reflect the value of the goods or services; or
- there is any doubt about the authority of the person signing for the other contracting party; or
- the *Total Value* exceeds £75,000.

17.4 Archiving & lodgement of records

The original sealed contract must be deposited with the Council's Legal Services and recorded on the Contracts Register.
