<p>CEO's delegation scheme paragraph 10.11 part 2:-</p> <p>To implement shared services with other local authority or public sector bodies by taking any action necessary to facilitate the arrangements including but not limited to redundancies which may result from the implementation.</p>	<p>To accept for both Councils the renewal of the SLA with Derbyshire County Council for the provision of emergency planning services.</p>	<p>To ensure that a comprehensive emergency planning service for the areas of the 2 Districts is provided. The sharing of responsibilities allows a full service to be provided and for this to be connected across the County. This also allows for considerable sharing of expertise.</p>	<p>To provide a separate service to the 2 Districts.</p> <p>This was rejected as the emergencies that are likely to occur are such that they will affect more than just the two Councils.</p>	<p>None</p>
