The Committee discussed the offices and industrial units at Coney Green Business Centre, and the opportunities for further growth. Members were reminded that a previous Growth Scrutiny Committee had reviewed the Council's industrial units. Members reiterated that it was crucial the Council had a clear objective and strategy when seeking to buy new units.

Councillor L Hartshorne entered the meeting.

Members commented that they would like to see a strategy when the Council invested in new units, as well as when it invested in existing market units. The Officer informed Members of a number of documents available for them to view, such as the Avenue Area Strategic Framework (AASF) at Mill Lane, which was a mixed development site.

Members thanked the Officer for attending the meeting.

The Officer then left the meeting.

RESOLVED – That the presentation be noted.

268 The Council's Transformation Agenda

The Committee received a presentation from the Joint Strategic Director – People that outlined the Council's Transformation Agenda.

Members heard that there was a number of factors that influenced growth, which included housing, employment, skills, cultural infrastructure and the environment. The Officer stated that the Council needed to transform in order to adapt to increasing pressures on services such as a growing and ageing population, a growing funding gap, and increased customer expectations.

The Officer explained some of the key themes within the Transformation Programme, such as a digital theme, a low carbon theme, an organisational theme and an investment theme. Members also noted the Council's financial progress in relation to the Transformation Programme.

RESOLVED – That the presentation be noted.

269 Leisure Facilities

The Committee received a presentation from the Joint Strategic Director – People that outlined how the Council's Leisure Services was supporting growth.

Members heard that the Council's Leisure Services played an important role in the reduction of health inequalities and promotion of active lifestyles, as well as generating economic growth and encouraging community engagement.

The Officer informed the Committee that there was over 750,000 visits to the Council's Leisure Centres each year, and the District had seen a 100% growth rate in memberships over the past few years. Members noted that the leisure centres had a customer satisfaction rating of 85.9%.

The Officer stated that there had been a significant reduction in the cost of the subsidy in providing the Council's leisure services. This had been achieved despite a membership price freeze since 2014.

The Committee discussed ICT transformation, and the use of technology in improving the Authority's leisure services. The Officer informed Members of some of the technological efficiencies the Council had achieved, and stated that technology would play an increasingly crucial part in allowing the leisure services to become more profitable and efficient. The Strategic Director – People used North East Derbyshire District Council and Bolsover District Council leisure facilities as examples where they used increasing amounts of technology including virtual fitness instructors and enabling customers to book classes on-line. Members noted that there had been a 60% increase in the use of on-line transactions at NEDDC in recent months.

Members thanked the Officer for attending the meeting.

The Officer then left the meeting.

RESOLVED – That the presentation be noted.

270 Scrutiny Review

Members discussed the importance of the Council having a clear plan for growth, and looked forward to the release of the Growth Strategy. The Committee reiterated that it was important to balance the commercial activity of the Council so that risks were mitigated and that the Committee and other Members of the Council had a vision for where the Authority would be in 5 – 10 years time.

Members felt that the wide ranging evidence that had been gathered so far in the municipal year had been informative, and considered other officers who could be informative to the Committee in gathering further evidence on growth.

271 List of Key Decisions – Issue No 88

RESOLVED – That the List of Key Decisions – Issue No 88 be noted.

272 Work Programme

RESOLVED – That the Growth Scrutiny Committee Work Programme be noted.
