REPORT DETAILS

1 Background

- 1.1 The Audit Committee considers a range of financial and governance issues on a regular basis. Given the number of matters that are examined by the Committee it is appropriate that an Annual Work Programme continues to be in place.
- 1.2 The Work Programme is set out in the attached **Appendix 1**. It should be recognised that the work plan is a live document to which matters may be added or removed as appropriate and approved by the Committee, including standing items.
- 1.3 The Work Programme enables Members to give structured consideration as to whether the proposed agenda items are appropriate and serve to meet the objectives of the Committee. That question needs to be considered in the light of the Council's Constitution, Chartered Institute of Public Finance and Accountancy (CIPFA) Guidance on the role of an Audit Committee and established good practice.
